

Some of our many satisfied customers:

Christine was THE BEST! This is our third home we have purchased and I cannot say enough good things about working with her; she exceeded our expectations by far.

Working with Christine was such an honor. She was so personable and professional the entire time! Anytime I had a question she answered promptly and if she didn't know, she would go to somebody who did. She knew the market for the home we were selling and the home we bought. She made sure that we would not over pay for property and was able to negotiate thoroughly and effectively. Anytime a problem arose she handled it with professionalism and detail. I would recommend Christine and Exemplary Real Estate to anyone looking to buy or sell a home.

Just a quick note to say how happy we were to have had Christine Downing-Hughes as our realtor. She was extremely professional yet very personable. She did a great job letting us know what we needed to do to get our house ready to put on the market and every person who walked through our home said it showed really well. She always responded to any and all questions quickly and made sure we had the answers we needed to proceed on any given situation. We appreciated her honest advice when negotiations got a little complicated and her tireless work to help us complete our sale. We would most definitely refer Christine (and her staff) to anyone looking to buy or sell their home.

Hi Christine,

I know I have said this before but I was thinking about it again today and I wanted to thank you again for helping us sell our house. I know it was a pretty easy sale, but you gave us a lot of help going into it and that made all the difference. You are the Best!! I hope you and the family are well. Have a great day!!

The Exemplary Real Estate Team really knows their business!

We could not have asked for any more from you. We have not been in the real estate market for over 25 years and was apprehensive about the whole process. Your team executed with confidence in a very professional manner making this a good experience for us. Each step was explained and our questions answered to ensure we understood.

You made things happen quickly and captured the opportunity we needed. You covered even the smallest details with high priority.

It was very clear from step 1, that your group was extremely organized and knew exactly what was expected in each task. You were working the many future tasks behind the scenes, well ahead of schedule. Your coordination is very obvious as events unfolded by your design.

Christine immediately had our confidence. Her knowledge of the market and process was very obvious. She was very genuine in all communication as she guided us from listing through closing. As the offers arrived, Christine was quick to make contact with us and explain each detail and options for our decisions to accept a contract. Christine performed with professionalism and has a wonderful personality that kept us comfortable and excited in the short journey.

While every sale is unique to it's own circumstances, we are very confident that our sale and experience was achieved because of Exemplary Real Estate's outstanding knowledge and performance. We expect other real estate offices only set goals to achieve what you consider routine execution.

We are very impressed and extremely satisfied with your service and dedication to achieving our goals. Job well done!

Thank You.

Christine assisted us in the purchase our home. She has a positive attitude, was focused on us and our needs and requests and was prompt & flexible. She knows the entire McKinney area and surrounding areas VERY well & knew the inventory. She gave sound advice and was very easy to talk to and get along with. Christine really handled all requests and questions, not only in a timely manner but usually immediately, which made the whole process much easier for us...not having to wait on answers. She is very personable and friendly yet professional. She supplied information regarding vendors we would need to complete our move in. We feel she is trustworthy.

I feel like I must be leaving out a lot of positive information because she did so much for us. I feel like she went above and beyond in many ways. We had a difficult closing from the seller's side and she made sure to be there when we signed even though the location and time were outside of business location and hours. We would definitely recommend her to other potential clients.
